

Introducing

Edovo Mail

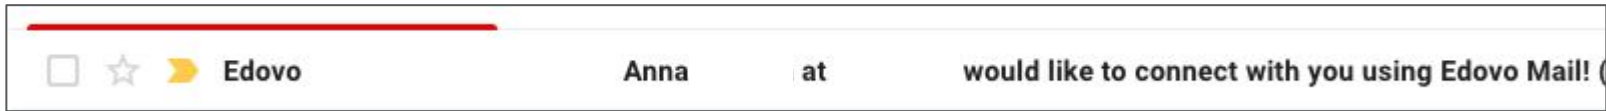

**On August 7th, MSP launched
Edovo Mail in WRC.**

**This service will allow you to email
your loved ones within MSP.**

**MSP Plans to expand facility wide
by End of August.**

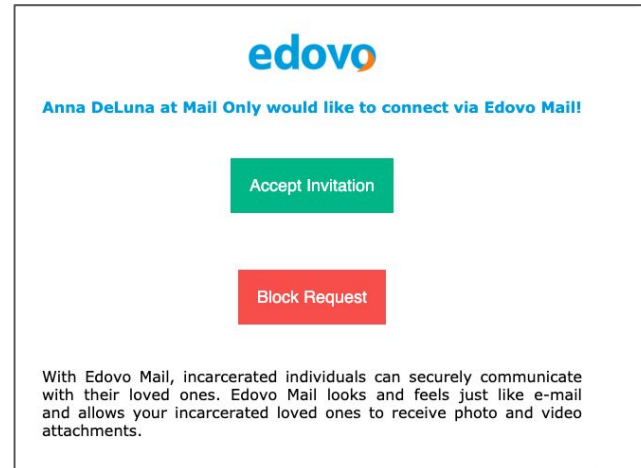

How does it work?

This means that you may get an email from your incarcerated loved one inviting you to communicate through Edovo Mail. In three easy steps, you can begin communicating with your loved ones through email.

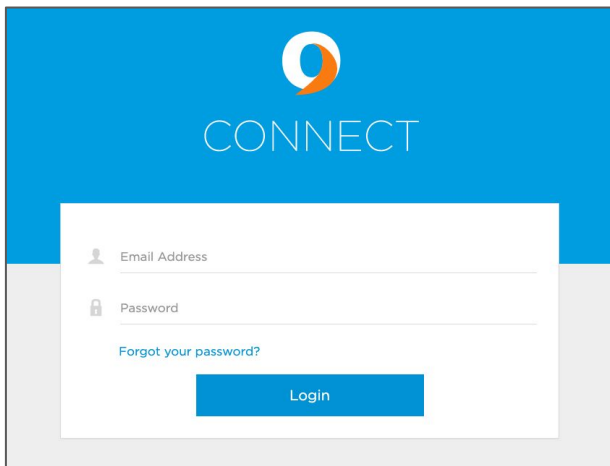

Step 1:

You will receive an email informing you that your loved one wants to invite you to communicate. **The invitation MUST come from the incarcerated individual before you can create an account.**

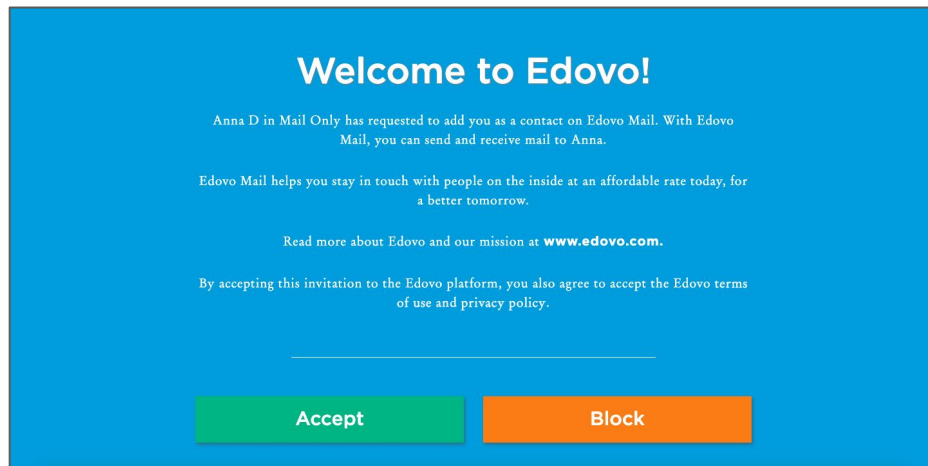

How does it work?

Step 2. Accept or Block. Once accepted, you will have an Edovo account accessible at connect.edovo.com. From there, you will be able to see their contacts on the inside, change your plans, block connections, and purchase Mail Credits.

The screenshot shows the Edovo Connect login interface. At the top, there is a logo consisting of a blue and orange circle, followed by the word "CONNECT" in white capital letters. Below this is a white login form with two input fields: "Email Address" and "Password". A link for "Forgot your password?" is located below the password field. A blue "Login" button is positioned at the bottom of the form.

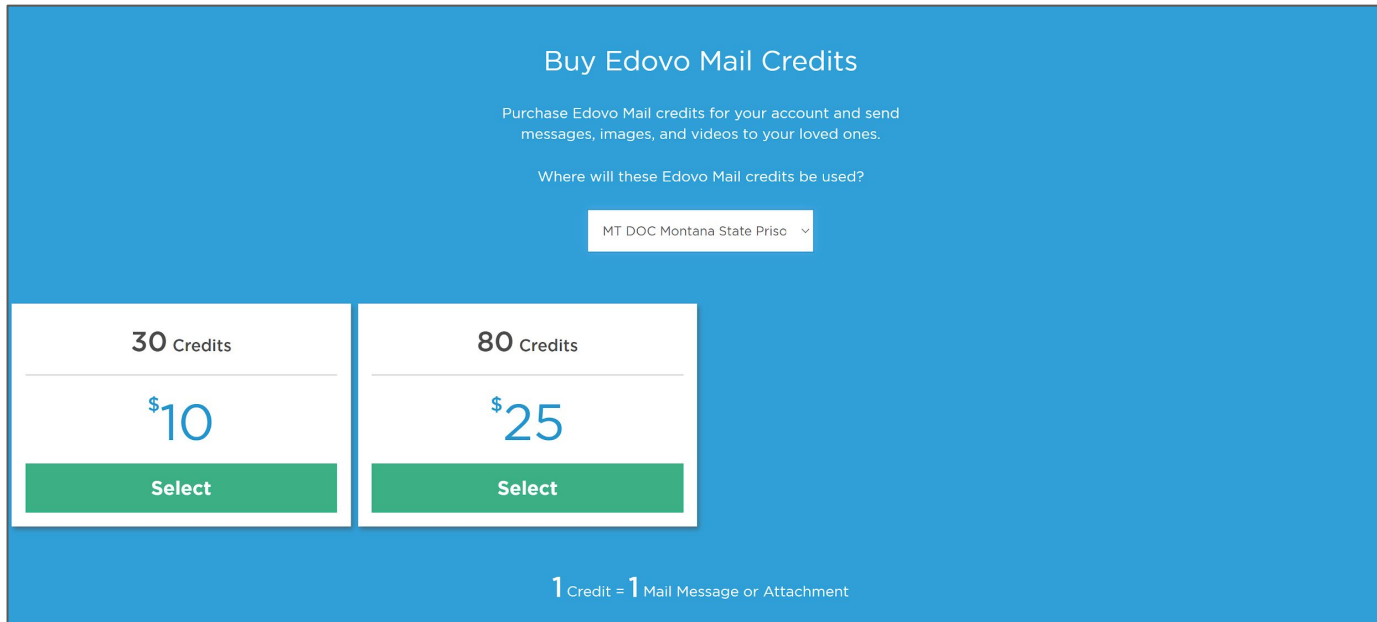

The screenshot displays a blue notification page titled "Welcome to Edovo!". The text reads: "Anna D in Mail Only has requested to add you as a contact on Edovo Mail. With Edovo Mail, you can send and receive mail to Anna." It continues: "Edovo Mail helps you stay in touch with people on the inside at an affordable rate today, for a better tomorrow." Below this, it says: "Read more about Edovo and our mission at www.edovo.com." At the bottom, it states: "By accepting this invitation to the Edovo platform, you also agree to accept the Edovo terms of use and privacy policy." Two buttons are visible at the bottom: a green "Accept" button and an orange "Block" button.

You can *always* block the connection if you no longer want to receive contact.

How does it work?

Step 3. Purchase a package. Packages Cost: \$10 for 30 emails, and \$25 for 80 credits. And, when you use a credit to send an email, you are pre-purchasing the reply for the incarcerated individual to be able to reply back you. Credits do not apply to the incarcerated, but to you, the loved one; so you are in complete control over how your credits are used.

The screenshot shows a blue interface for purchasing Edovo Mail Credits. At the top, it says "Buy Edovo Mail Credits" and "Purchase Edovo Mail credits for your account and send messages, images, and videos to your loved ones." Below this is a dropdown menu for "Where will these Edovo Mail credits be used?" with "MT DOC Montana State Priso" selected. Two purchase options are shown: "30 Credits" for "\$10" and "80 Credits" for "\$25". Each option has a green "Select" button. At the bottom, it states "1 Credit = 1 Mail Message or Attachment".

Buy Edovo Mail Credits

Purchase Edovo Mail credits for your account and send messages, images, and videos to your loved ones.

Where will these Edovo Mail credits be used?

MT DOC Montana State Priso

30 Credits	80 Credits
\$10	\$25
Select	Select

1 Credit = 1 Mail Message or Attachment

How does it work?

Step 4. Communicate! After communication has started, through **connect.edovo.com**, you will be able to communicate directly through the webpage, see your unopened mail, purchase new credits or adjust contacts.

The image displays two screenshots of the Edovo Connect web application. The left screenshot shows the main dashboard with three navigation options: 'Inbox' (12 Credits), 'Contacts & Pla...', and 'My Account'. The right screenshot shows the 'Inbox (0)' view with a list of emails.

Edovo Connect Dashboard (Left Screenshot):

- Edovo Connect logo
- 12 Credits
- Anthony Thomas
- Navigation options: Inbox, Contacts & Pla..., My Account

Edovo Connect Email Inbox (Right Screenshot):

- Edovo Connect logo
- 42 Credits
- Anthony Thomas
- Buy Credits button
- INBOX (0)
- Table of email messages:
